Thermo Products, LLC, a Delaware corporation, under license agreement with Ingersoll Rand, hereby warrants the above specified model oil fired warm air furnaces to be free from defects in material and workmanship under normal use and maintenance. This limited warranty applies to products manufactured on or after January 1, 2014. This warranty is to the original purchaser and subsequent owners.

1ST-5TH YEAR: During the first 60 months after installation, all parts of the furnace are warranted to the current owner with the exception of maintenance items which require periodic replacement (i.e. filters, nozzles, electrodes, etc.). The owner may arrange with the original installing contractor or any other qualified contractor of the owner's choice to replace a defective part. Any labor costs involved in furnace diagnosis, service or the removal and replacement of a defective part are the responsibility of the owner.

5TH-10TH YEAR: An additional 60 months of parts coverage is extended to the verified original homeowner only. For all other owners, parts coverage terminates on the 5 year anniversary of the original installation date.

HEAT EXCHANGER WARRANTY: The heat exchanger carries a Limited Lifetime Warranty to original purchaser/homeowner. If at any time during the warranty period the heat exchanger becomes defective, Thermo Products, LLC. will provide at its option either a replacement heat exchanger or the necessary repair parts on a no charge basis. Any labor costs involved in the diagnosis, repair or the removal and replacement of a heat exchanger are the responsibility of the owner. The owner may arrange with any qualified HVAC contractor for the necessary labor. Any transportation costs associated with the replacement of the complete heat exchanger or the repair parts are the responsibility of the owner. If Thermo Products, LLC. requests the return of the defective heat exchanger, it must be returned by prepaid transportation at the expense of the owner. For all other owners, the heat exchanger warranty is 20 years.
